## ONLINE ITALIAN LANGUAGE AND CULTURE COURSE Beginner Level

## FOR THE STUDENT

The course includes **104 videos made with students from the University of Milan**.

The videos present *real communicative situations* of everyday life in an Italian environment and depict an up close view of Italian life and culture.

Videos can be downloaded to be viewed several times, even without an online connection.

The texts of the videos constitute a reference base for readings and activities and can be downloaded and provided while completing exercises, and can be read at will.

The course presents *basic communication functions* with the required vocabulary and grammar: singular and plural nouns and adjectives, gender, definite and indefinite articles, prepositions, regular and irregular verbs in the present, past, imperfect and future tenses.

Every lesson includes assessments that *facilitate comprehension, writing and speaking*.

Includes *contextual dictionary*.

Allows *work recovery, continuation, correction and completion*.

At the end of each section the student completes assessments: a **WORKING ALONE** section, a **REVIEW**, and a **QUIZ GAME**.

Student can *print* all the exercises at the end of each stage by pressing, "ITEM PRINT"

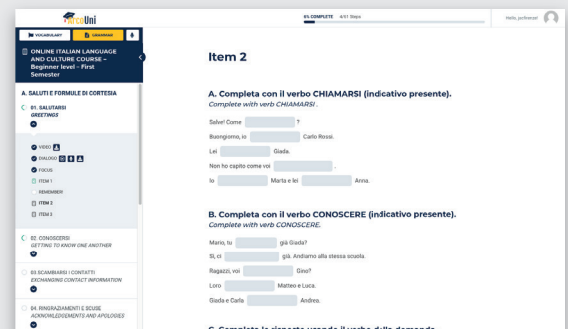

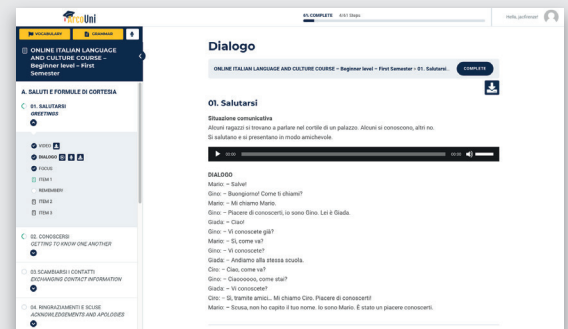

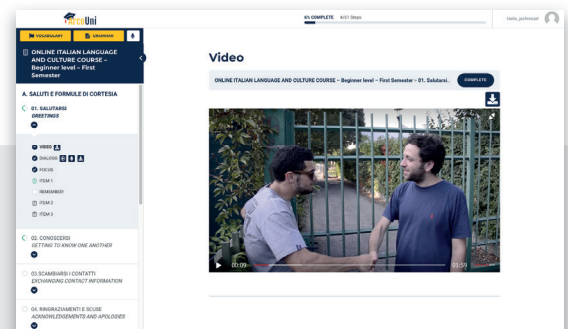

The *technology* further provides:

REC – option to *record one's voice* and *save a file*, *check the work* and *obtain a grade*.

TUTORIAL – *detailed instructions for the lesson*.

CHAT – *technical support*.

FAQ – *resolution of issues that may arise*.
